To all the IBSF members

Reims, May 11<sup>th</sup> 2010

Dear President, Dear Friend

I am pleased to inform you that the IBSF has signed a three year partnership contract with table manufacturer Shender.

Under these conditions, and for the duration of the contract, all IBSF World Championships will be played on Shender tables.

The official table model is the "Prince" and I attach for your information a photo of this exclusive table.

I have personally checked the quality of this table, and Shender have signed this contract to make its brand even better known throughout the world.

It is no coincidence that professional players such as Ronnie O'Sullivan and Liang Wenbo have become brand ambassadors of Shender - also testifying to the brand quality and marketplace reputation.

Every country member of the IBSF that wishes acquire the Shender "Prince" table can get the most competitive prices exclusively reserved for the IBSF.

This partnership will enable the IBSF to offer countries wishing to organize an IBSF World Championship even more favourable and attractive conditions going into the future...

Obviously The IBSF remains at your disposal for any further details you may want, including details of the exclusive discount offer...

Sincerely  
Pascal Guillaume  
President
